

LEGAL AGREEMENT

APPLICANT'S STATEMENT & AGREEMENT

In the event of my employment to a position with Stymeist Auto Body Collision Centers (Company), I will comply with all rules and regulations of this Company. I understand that the Company reserves the right to require me to submit to a test for the presence or drugs in my system prior to employment and at any time during my employment, to the extent permitted by law. I also understand that any offer of employment may be contingent upon the passing of a physical examination. Further, I understand that at any time after I am hired, the Company may require me to submit to a physical examination and an alcohol test, to the extent permitted by law. I consent to the disclosure of the results of any physical examination and related tests to the Company. I also understand that I may be required to take other tests such as personality and honesty tests, prior to employment and during my employment. I understand that should I decline to sign this consent or decline to take any of the above tests, my application for employment may be rejected or my employment may be terminated. I understand that bonding may be a condition of hire. If it is, I will be so advised either before or after hiring and a bond application will have to be completed. I hereby authorize the Company with which I have applied for employment to share my Application for Employment with other affiliated companies/employers, and hereby agree that all terms, conditions and/or agreements contained in this Applicant's Statement and Agreement, or any other documents pertaining to my application for employment shall be enforceable by me and by such other companies/employers (including their managers, employees and agencies), even though I have not signed a separate Applicant's Statement and Agreement for those other companies/employers.

By signing (electronically or otherwise), I acknowledge that the Company may contact my previous employers and I authorize those employers to disclose to the Company all records and information pertinent to my employment with them. In addition to authorizing the release of any information regarding my employment, I hereby fully waive any rights or claims I have or may have against my former employers, their agents, employees and representatives, as well as other individuals who release information to the Company, and release them from any and all liability, claims, or damages that may directly or indirectly result from the use, disclosure, or release of any such information by any person or party, whether such information is favorable or unfavorable to me. I authorize the persons named herein as personal references to provide the Company with any pertinent information they may have regarding myself. I further understand that as a condition of employment, I may be required to complete additional documentation which would permit the Company and its designated Investigative Consumer Reporting Agency to conduct an investigation of my background, which may include inquiry into my past employment, education, and activities, including, but not limited to, credit, criminal background information and driving record.

I also acknowledge that the Company utilizes a system of alternative dispute resolution which involves binding arbitration to resolve all disputes which may arise out of the employment context. Because of the mutual benefits (such as reduced expense and increased efficiency)

which private binding arbitration can provide both the Company and myself, I and the Company both agree that any claim, dispute, and/or controversy that either party may have against one another (including, but not limited to, any claims of discrimination and harassment, whether they be based on the California Fair Employment and Housing Act, Title VII of the Civil Rights Act of 1964, as amended, as well as all other applicable state or federal laws or regulations) which would otherwise require or allow resort to any court or other governmental dispute resolution forum between myself and the Company (or its owners, directors, officers, managers, employees, agents, and parties affiliated with its employee benefit and health plans) arising from, related to, or having any relationship or connection whatsoever with my seeking employment with, employment by, or other association with the Company, whether based on tort, contract, statutory, or equitable law, or otherwise, (with the sole exception of claims arising under the National Labor Relations Act which are brought before the National Labor Relations Board, claims for medical and disability benefits under the California Workers' Compensation Act, and Employment Development Department claims) shall be submitted to and determined exclusively by binding arbitration. In order to provide for the efficient and timely adjudication of claims, the arbitrator is prohibited from consolidating the claims of others into one proceeding. This means that an arbitrator will hear only my individual claims and does not have the authority to fashion a proceeding as a class or collective action or to award relief to a group of employees in one proceeding. Thus, the Company has the right to defeat any attempt by me to file or join other employees in a class, collective or joint action lawsuit or arbitration (collectively "class claims"). I further understand that I will not be disciplined, discharged, or otherwise retaliated against for exercising my rights under Section 7 of the National Labor Relations Act, including but not limited to challenging the limitation on a class, collective, or joint action. I understand and agree that nothing in this agreement shall be construed so as to preclude me from filing any administrative charge with, or from participating in any investigation of a charge conducted by, any government agency such as the Department of Fair Employment and Housing and/or the Equal Employment Opportunity Commission; however, after I exhaust such administrative process/investigation, I understand and agree that I must pursue any such claims through this binding arbitration procedure. I acknowledge that the Company's business and the nature of my employment in that business affect interstate commerce. I agree that the arbitration and this Agreement shall be controlled by the Federal Arbitration Act, in conformity with the procedures of the California Arbitration Act (Cal. Code Civ. Proc. sec 1280 et seq., including section 1283.05 and all of the Act's other mandatory and permissive rights to discovery). However, in addition to requirements imposed by law, any arbitrator herein shall be a retired California Superior Court Judge and shall be subject to disqualification on the same grounds as would apply to a judge of such court. To the extent applicable in civil actions in California courts, the following shall apply and be observed: all rules of pleading (including the right of demurrer), all rules of evidence, all rights to resolution of the dispute by means of motions for summary judgment, judgment on the pleadings, and judgment under Code of Civil Procedure Section 631.8. Resolution of the dispute shall be based solely upon the law governing the claims and defenses pleaded, and the arbitrator may not invoke any basis (including, but not limited to, notions of "just cause") other than such controlling law. The arbitrator shall have the immunity of a judicial officer from civil liability when acting in the capacity of an arbitrator, which immunity supplements any other existing immunity. Likewise, all communications during or in connection

with the arbitration proceedings are privileged in accordance with Cal. Civil Code Section 47(b). As reasonably required to allow full use and benefit of this Agreement's modifications to the Act's procedures, the arbitrator shall extend the times set by the Act for the giving of notices and setting of hearings. Awards shall include the arbitrator's written reasoned opinion. If CCP § 1284.2 conflicts with other substantive statutory provisions or controlling case law, the allocation of costs and arbitrator fees shall be governed by said statutory provisions or controlling case law instead of CCP § 1284.2. Both the Company and I agree that any arbitration proceeding must move forward under the Federal Arbitration Act (9 U.S.C. §§ 3-4) even though the claims may also involve or relate to parties who are not parties to the arbitration agreement and/or claims that are not subject to arbitration: thus, the court may not refuse to enforce this arbitration agreement and may not stay the arbitration proceeding despite the provisions of California Code of Civil Procedure § 1281.2(c). **I UNDERSTAND BY AGREEING TO THIS BINDING ARBITRATION PROVISION, BOTH I AND THE COMPANY GIVE UP OUR RIGHTS TO TRIAL BY JURY.**

I hereby state that all the information that I provided on this application or any other documents filled out in connection with my employment, and in any interview is true and correct. I have withheld nothing that would, if disclosed, affect this application unfavorably. I understand that if I am employed and any such information is later found to be false or incomplete in any respect, I may be dismissed.

If hired, I agree as follows: My employment and compensation are terminable at will, are for no definite period, and my employment and compensation may be terminated by the Company (employer) at any time and for any reason whatsoever, with or without good cause at the option of either the Company or myself. Consequently, all terms and conditions of my employment, with the exception of the arbitration agreement, may be changed or withdrawn at Company's unrestricted option at any time, with or without good cause. No implied, oral or written agreements contrary to the express language of this agreement are valid unless they are in writing and signed by the President of the Company (or majority owner or owners if Company is not a corporation). No supervisor or representative of the Company, other than the President of the Company (or major owner or owners if Company is not a corporation), has any authority to make any agreements contrary to the foregoing. This agreement is the entire agreement between the Company and the employee regarding the rights of the Company or employee to terminate employment with or without good cause and this agreement takes the place of all prior and contemporaneous agreements, representations, and understandings of the employee and the Company.

Should any term or provision, or portion thereof, be declared void or unenforceable it shall be severed and the remainder of this agreement shall be enforced.

If you have any questions regarding this statement, please ask a Company representative before signing and submitting.
